

**TITLE OF JOB: Chief Information Officer**

**LOCATION: Texas**

**POSTED: September 2021**

**SUMMARY:**

Exciting, well established franchisee of a national QSR brand seeking an experienced Chief Information Officer (CIO) to oversee use of Information Technology in the company. The CIO will oversee all functions of the department, working closely with executive leadership to devise the company's IT strategy, implement IT initiatives, and enhance the IT functioning of the company. The CIO will be integral in driving the company goals and growth now and in the future.

**RESPONSIBILITIES:**

- Working with upper-level IT staff to develop and implement department goals.
- Staying abreast of emerging technologies that can improve IT department performance and increase company profits.
- Selecting and implementing suitable technology to streamline all internal operations and help optimize their strategic benefits.
- Designing and customizing technological systems and platforms to improve customer experience.
- Plan the implementation of new systems and provide guidance to IT professionals and other staff within the organization.
- Oversee the technological infrastructure (networks and computer systems) in the organization to ensure optimal performance.
- Creating and implementing IT policies, protocols and standards.
- Working with upper management and senior IT staff to develop the IT department budget.
- Ensuring that IT department strategies and processes provide appropriate support to company-wide goals.
- Overseeing contract negotiations with IT vendors, contractors and service providers.
- Communicating with other executives regarding costs, value and risk-potential of new IT projects.
- Approve purchases of technological equipment and software and establish partnerships with IT providers.

**REQUIREMENTS:**

- Impeccable IT knowledge and technical skills.
- Background in designing/developing IT systems and planning IT implementation.
- Excellent analytical and problem-solving skills.
- Solid understanding of data analysis, budgeting and business operations.
- Superior leadership skills.
- Relationship building and team development skills.
- Thorough understanding of data management and administration.
- Excellent communication and interpersonal skills.
- Skilled at strategic planning and goal-setting.

**SALARY & BENEFITS:**

**Competitive compensation package for qualified candidates**
