

**TITLE OF JOB: Sr Finance Manager F&B**

**LOCATION:** Southeast

**POSTED:** July 2018

**SUMMARY:**

A top well known national company is seeking a solid financial executive with experience in the food & beverage industry. The general job purpose is to provide oversight, guidance, and support as it relates to the Operational Finance function. This includes partnering with operators and delivering high-quality customer service while influencing decisions and driving financial results. Additional aspects of the job include ensuring department deadlines are met and company policies are adhered to as well as identifying departmental process improvements. Candidate must participate in financial reviews with executive leadership. The job involves leading a team of multiple exempt and non-exempt positions.

**RESPONSIBILITIES:**

- Direct and supervises the overall financial function.
- Oversee month-end financial close process.
- Manage finance staff by providing leadership, coaching, mentoring, career development, and performance management.
- Ensure timely and accurate financial reporting of business results with variance commentary.
- Perform in-depth analysis on actual financial performance extending findings to provide meaningful recommendations.
- Develop short and long term financial plans including forecasts, budgets, and five-year plans.
- Develop ad hoc and new business analysis, ROI's, and financial models utilizing sensitivity and scenario tools.
- Has (5) direct reports.

**REQUIREMENTS:**

5-7 years of restaurant finance experience including exposure (knowledge) of financial accounting and analytical planning tools and systems. Extensive experience in performance measurement and P&L analysis. Proven track record of qualitative analytical skills and problem solving. Strong strategic thinking and organization skills.

**SALARY & BENEFITS:**

A competitive Salary and Bonus will be commensurate with experience.

**EDUCATION:**

Bachelor's Degree required, MBA or equivalent preferred
